Electric Rustica 400 chargrill

Manufacturer: Locher Großküchen-Geräte GmbH
Model: 228461

Description:

Electric Rustica 400 chargrill

Made from CNS 18/10, 20 mm lip at bac. Inspection cover, back cover and lower division plate are removable for servicing.

With two removable non-stick cast iron grates and fat drip tray with 1" drain. Rounded angles and smooth surfaces enable easy cleaning of the unit. Base unit closed on 3 sides, open at front. Can be installed on a base once height-adjustable feet have been removed and connector system with hairline connection.

With swivelling heating element and two removable non-stick iron grill grates (each 150x450 mm). The grates are located directly on the heaters.

Fat drip tray can be filled for easy cleaning with water (pan approx. 150 mm deep). Fat drip tray with drain incl. 1 "ball valve into the base.

Frame from top to jointless plate welded (hygiene). The simple operation is carried out by an infinitely variable temperature control via thermostat with operating and heating display. The steak grill has a controllable heating zone

The package includes: Turning spatula and wire.

Optional:

- door for base (angle left o. right)
- Preparation for energy optimisation
