

850 Series

Induction cooker with 4 zones and electric oven GN 2/1

Manufacturer: Locher GmbH
Model: 228208

Description:

Powerful free-standing induction cooker module with four zones and GN2/1 electric oven.

Module made entirely from 304 grade stainless steel with flush mounted ceramic glass plate. Rounded angles and smooth surfaces enable easy cleaning of the unit. Inspection cover, back cover and lower division plate are removable for servicing. 4 adjustable feet that can be removed for installation on a pedestal. 20 mm backsplash at the rear and connector system with hairline joint. Energy transmission through induction coils underneath the ceramic glass. The generator is positioned under the coil. In the case of maintenance, the generator can be easily disconnected.

Utmost operational security thanks to:

- Electronic energy monitoring.
- Empty pan detection (in the centre of the zone reduces power and turns off automatically)
- Electronic temperature control for the protection of the coil, the generator and the PCB
- Hot hob indicator

Each zone is operated through a potentiometer. Unit comes with power on/off main switch with indicator lamp. An LED display under glass shows the selected power level (1-9) and any malfunctions. Each generator has two integrated fans, so air circulation is guaranteed. Unit comes with power cable, air duct and a dishwasher safe metallic air filter.

Optional:

- ITC – Induction temperature control
- Preparation for energy optimisation
- Professional scraper for ceramic glass
- Kit for ceramic glass care and cleaning

Technical data

Width: 800 mm
Depth: 850 mm
Height: 850/900 mm
(Height of lower compartment: 700 mm)

Glass dim: 750 x 720 x 6 mm
Coil dim: 4 x square 270x270 mm with 5,0 kW each
Oven Specification: 400V/3ph/5.6kW

El. Conn.: 400V/3ph/25,6 kW

Electric static oven

Simple operation through two thermostats, separate heating elements for the top and bottom of the oven, with indicator lamps.

Features & Benefits of the electric oven:

Steam vent on door, easy cleaning non-stick oven chamber.

Independent heating (50° - 270°C), in the top and bottom enabling accurate temperature control for perfect cooking results.

Oven racks completely removable for easy cleaning.

Accessories included: baking tray and oven rack.
