

Electric griddle 800

chrome-plated

Manufacturer: Locher Großküchen – Geräte GmbH

Model: 201412

Description:

Table top electric Griddle Plate hard chromed, ½ fluted with 20 mm recessed welded roasting surface.

Material: Chrome nickel steel 18/10 DIN 1.4301
Removable switch, revision panel, rear panel and upper floor in the base. Rounding and smooth surfaces allow for optimal cleaning.

The roasting surface is hard chromed ½ fluted, the corners rounded, R12.
Front with drainage duct (125x35 mm) in a removable grease drawer. The frame is seamlessly welded from above to the plate (hygiene!), So that no fat entry down possible.

Contact radiators embedded in aluminum blocks ensure high heat storage capacity and even heat distribution.

The simple operation is made by a continuous temperature control via thermostat with operating and heating indicator.
The Griddle Plate is equipped with 2 heating zones.

The scope of delivery includes: Removable splash guard, grease drawer, spatula, stainless steel cleaning sponge and supply line with plug.
