

Electric Rustica 400 chargrill

Manufacturer: Locher Großküchen-Geräte GmbH

Model: 227461

Description:

Electric Steak grill Rustica

Free-standing module with one zone – open base.

Module made entirely from 304 grade stainless steel with two removable non-stick cast iron grates and grease drip tray with 1" drain. Rounded angles and smooth surfaces enable easy cleaning of the unit. Inspection cover, back cover and lower division plate are removable for servicing. 4 adjustable feet that can be removed for installation on a pedestal. 20 mm backsplash at the rear and connector system with hairline joint.

With swivelling heating element and two removable non-stick iron grill grates (each 150x450 mm). The grates are located directly on the heaters. Grease drip tray can be filled for easy cleaning with water (pool depth 150 mm). Grease drip tray with drain incl. 1" ball valve into the substructure. Frame from top to jointless plate welded (hygiene).

The simple operation is carried out by an infinitely variable temperature control via thermostat with operating and heating display. The steak grill has a controllable heating zone

The package includes: Turning spatula, cleaning sponge and cable.

Optional:

- door for base (angle left o. right)
- Preparation for energy optimisation
